

SOUTH WEST AFRICA 1929

Cover (minor folds) to Johannesburg endorsed "Per Oldsmobile Expedition" franked 1d cancelled by the scarce "OLDSMOBILE / KALAHARI MAIL" c.d.s. This special datestamp was used at Gobabis on this one occasion only when a sealed bag of mail was carried by Oldsmobile car on the 460 mile journey across the Kalahari desert from Ghanzi to Molepolole. Very little mail was carried on this expedition and covers with this cancellation are therefore very scarce.

Per Oldsmobile Expedition
