

# SOUTH AFRICAN COLLECTORS SOCIETY

## Auction 51

To be held on the 15<sup>th</sup> November 2020 at 4pm GMT.

This is a very exciting auction, which was, in the main, arranged before the present Covid-19 Pandemic interfered with the normal activities of the South African Collectors Society. Most of the lots have been described in detail, and many have been scanned, the illustrations being found within the Auction listing. However, several collections are offered, which cannot be described in detail. If any further information is required, on these or any other lots, **please apply to the Auctioneer** - email [nicholasarrow@btinternet.com](mailto:nicholasarrow@btinternet.com) or tel 01297 552482. The lots marked 'P' are illustrated, either within the listing or at the end, but NB all illustrations are reduced. Scans of individual stamps in other lots can be provided if required, of course, and personal inspection of any auction lot can be arranged on application to the Auctioneer.

**Please note that this will be a "Zoom" Auction, as described in the Society's NEW Auction Rules at the end of this list, to which your attention must be drawn. If you wish to take part by Zoom, you MUST notify the Auctioneer in accordance with Rule 11.**
